Feedback - Induction Program

We have prepared the structured feedback on orientation program which includes quality of the speakers, contents, curriculum, regulations, academic support, wellbeing, extracurricular and campus life.

Feedback indicates the scale from 1 – 5.

The following comments were given by the student's end of the sessions.

Extra time add in sport & Yoga session, very useful to acquire knowledge, I am so happy to be a part of SRM. That's it, this orientation is useful for our future, informative program, thanking to the institution for conducting this orientation, this was very helpful to me and I know well about the campus after this orientation program, this orientation program brings me a lots of ideas about AHS and Please keep the class for 45 minutes only.
