College of Allied Health Sciences

Organizes

**Cardiac
Technologist
Day**

Date: 14.02.2024

Time: 12.00 - 01.00 p.m.

Venue: Lecture Hall 6

About the program

The Department of Cardiac Care Technology, College of Allied Health Science, SRM Institute Science & Technology, Tiruchirappalli campus has organized the program on "**Cardiac Technologist Day 2024**" on 14th February at 11:00- 1:00 pm at lecture hall-1, 4th floor, Medical College. The theme of the program was to raise awareness about various heart diseases, prognosis, diagnosis, Treatment and follow-up among students and faculties.

The cardiac care technology students exhibited a variety of colorful Charts, Posters and models. The entire hall was systematically organized to understand the basic anatomy of heart to pathophysiological changes of the heart such as coronary heart disease, ECG abnormal waves, Types of Heart disease, Systemic circulation of the heart, Embryology of Heart, Atherosclerosis, Cardiac Cycle, Congenital heart disease, Role of Electrolyte in the heart, Adult congenital heart disease, Mitral valve stenosis, Transposition of the greater vessels, Interesting facts about heart. Finally, they made a fabulous Echo machine and displayed it.

Ms. Thamarai welcomed the Deans, faculty members and students. Followed by the formal Dr. A. Sundararajan, Vice Principal, College of Allied Health Sciences delivered the scope of the programme. Dr. V.P. R. Siva Kumar, Assistant Director & Dean of Physiotherapy and Dr. D. Suresh, Dean of Occupational therapy delivered the presidential and felicitation address.

All the dignitaries visited the presentation area, interacted with the exhibitors and gave their valuable inputs. Faculty members and 750 students have visited the hall and benefited.

Guest Lecture

There was a special lecture organized for students at lecture hall-6 between 12 – 1.00pm. Mr. Joe David, II Cardiac Care Technology student delivered the welcomed address.

Dr. A. Sundararajan, Vice Principal, College of Allied Health Sciences delivered the presidential address. Dr. Sathish Kumar, Head of the Department of Cardiology, Trichy SRM Medical College Hospital & Research Center invited as guest of honor. Dr. A. Sundhararajan, Vice principal, College of Allied Health Sciences has welcomed the chief guest, faculty members and students.

Dr. Sathish kumar, HOD Department of Cardiology, SRM Medical College Hospital & Research Center has delivered a key note about Scope of Cardiac Technologist and future advancements. He pointed out the role of cardiac technicians in the future. He emphasized that the selection of PG program is most important. According to the individual wish and desire the student should select either an Invasive or Non Invasive program. During the study student should undergo many skill-based training to exhibit their innate talents.

Followed by the speech, a special game was conducted "**Flip Maestro**" for the students to make the session useful and joyful.

Ms. Ameera Aslifa, II-year Cardiac Care Technology student concluded the program by delivering special thanks to the chief guest, Vice principal, cardiac Technicians and all faculty members and students of Allied Health Sciences.
